Four Wheel Campers Purchase Agreement

This Purchase Agreement is a legal agreement between you ("Customer" or "you") and Four Wheel Campers, LLC ("FWC") and provides the terms under which you agree to purchase, and FWC agrees to sell, the pop-up truck camper (the "Camper") that is the subject of your order. If you do not agree to the terms of this Purchase Agreement, you will not be allowed to purchase a Camper from FWC. If you purchase a Camper from FWC, then you agree to be bound by the terms of this Purchase Agreement, and you have the following rights, obligations and responsibilities:

Preparations:

You must remove the tailgate, bed liner, topper, etc. from your truck prior to the installation of the Camper. FWC may refuse to install the Camper if such items are not removed and/or charge you for such removal at FWC's then current hourly rates. FWC will not be responsible for damage to such items removed by FWC. You must also make your truck available to FWC on the time and date requested. Any failure to make your truck available to FWC may result in a delay in the installation of your Camper.

Payments:

- You must make payment of the required deposit stated on your order form within five (5) days of the date of your order. FWC will not begin manufacturing your Camper until such time as your deposit is received. Once your deposit is received, FWC will begin manufacturing your Camper. If you fail to complete the purchase of your Camper for any reason other than as authorized in this Purchase Agreement, then you forfeit your deposit and acknowledge and agree that FWC may retain your deposit in its entirety.
- Final payment is due on the date of the delivery of your Camper, and must be made in the form of a cashier's check made out to FWC (unless FWC has agreed in writing to accept another form of payment). You agree to pay any sales tax or other taxes or governmental fees in connection with the purchase of your Camper, without reducing the amounts owed by you to FWC under this Purchase Agreement. If you claim tax exempt status, you agree to provide any certificate evidencing such status to FWC.
- FWC will not release any Camper until such time as it has been paid for in full. In the event you fail to make any payment when due, your Camper will become available for purchase by other available parties. Following the designated delivery date, FWC will not hold your Camper pending payment.
- FWC may terminate any order, at any time and for any reason. If FWC terminates an order without cause, FWC's sole obligation and responsibility to you will be to return your deposit. Termination of an order for cause (i.e., for example, the failure to make any payment required under this Purchase Agreement), will result in the forfeiture of your deposit, as described above.

Changes:

- FWC allows 30 days from the date of an order for you to request any changes, additions, or deletions of options in connection with your Camper (a "Change Order"). FWC charges a Change Order fee of \$200.00 per Change Order. Be advised that depending on the requested changes, Change Orders may result in increased charges for your Camper, and you agree to pay any such increased charges. No changes will be allowed after 30 days, and you will be obligated to complete the purchase of your Camper without the requested changes, additions or deletions of options.
- FWC reserves the right to make changes to the colors, materials, equipment and specifications to the Camper without notice to you. FWC will use commercially reasonable efforts to communicate material changes to you. For any material changes, you will be provided the opportunity to cancel your order and receive a refund of your deposit; however, you must communicate such cancellation to FWC within 2 days of FWC's notice. If you do not cancel your order, you will be obligated to complete the purchase of your Camper notwithstanding the changes.

Delivery:

- You agree to pick-up your Camper at FWC's designated facility on the designated delivery date specified by FWC. FWC will inform you of the designated delivery date in writing using the contact information that you have provided to FWC as part of your order. If you cannot pick-up your Camper on the designated delivery date, then you must make alternate arrangements with FWC. Be advised that Campers not picked up within 2 weeks of the designated delivery date will incur an \$8.00 per day storage fee, and you will be required to sign FWC's Release and Waiver of Liability as a condition for storage. Delivery dates are based on FWC's anticipated time for completion and are estimates only, and FWC may make changes to any delivery date(s) so as to accommodate any changes or delays in FWC's manufacturing/installation schedule. FWC will not be liable to you in connection with any such delays.
- You will be required to inspect your Camper at the time you pick-up your Camper at FWC's designated facility on the designated delivery date, and to sign a written statement that your Camper is free of damage or defects. Unless you identify any damage or defects in the Camper in writing at the time of delivery, then the Camper will be deemed irrevocably accepted by you, except as otherwise required by applicable law and except for warranty claims under FWC's Limited Warranty.
